Final Exam Schedule Winter 2011

As we approach the holiday season with all of the business it involves, it is also time to prepare for final exams. Research indicates that short periods of review over a long period of time improves memory and test scores. Using visual prompts, study cards, and auditory drills/ reviews also increase memory.

All of our teachers, including foreign languages, will be at our Grace location on the following days to assist students.

To register, please return this form **with payment by December 5**. The fee is \$30/hr for group sessions, \$50/hr for private.
